

Personal Use Program

When dealer and distributor personnel use Empire Comfort Systems products in their own homes, they sell more of these products. Therefore, Empire offers this Personal Use Program.

Empire will issue credit to the servicing Distributor in the amount specified in the table. At the Distributor's discretion, this amount will be credited to the dealer.

To participate, complete the Personal Use Request Form. Limit one purchase (including unit and all accessories) per person per calendar year.

Have your Dealer or Distributor Principal sign the form, indicating that you meet the program criteria.

Fax the completed Personal Use Request form with a copy of the invoice to 800 443-8648.
