## Natural Gas vs. LP Gas

Natural Gas	LP
<i>CONVENIENT:</i>	<i>INCONVENIENT:</i>
Constant supply is ready when you are!	You run the risk of not having enough gas to finish cooking
	Have to make a trip to get tanks filled- and they are HEAVY!
<i>COST:</i>	
20¢ per hour	\$2.00 per hour
	10 times the cost of natural gas!
