Rasmussen Gas Log Display Promotion

Featuring our new display stand on your showroom floor along with three of your favorite **Rasmussen** gas log systems and the stand is yours for free!

This elegant shelving unit is made of durable pewter and black steel and will assist you in selling RASMUSSEN GAS LOGS and the new ALTERNA Contemporary Gas Fire line of both vented and vent-free FireGlitter, FireBalls, FireStones and FireShapes. The stand will display 18", 21" and 24" systems in a small foot print. Stand is 69 1/2"h x 26"w x 26"d. 26"W x 26"D. This a great way to display 3 additional log sets or ALTERNA products.

Plus, receive special credit of \$200.00 towards the display product!

Talk with your sales rep for more information and order yours today!

Offer expires 7/31/2008.
